Erick Thohir Meets BPK and KPK to Discuss Standalone/Paid Covid-19 Vaccines

State-Owned Enterprises (BUMN) Minister Erick Thohir claimed to have met with the Supreme Audit Agency (BPK) and the Corruption Eradication Commission (KPK) regarding the Covid-19 vaccine some time ago. The meeting discussed the possibility of an independent, or paid Covid-19 vaccine. "There is a discourse that has not yet become a decision, even though there is a Presidential Decree, independence is possible. That is why there was a meeting with Commission VI, BPKP, LKPP and the Minister of Health who just came with me to the BPK and KPK to convey whether the independent vaccine was wrong (or not)," said Erick. After the meeting with several of these agencies, said Erick, giving vaccines independently was allowed under certain conditions. For example, the types and brands of independent vaccines must be different from those that are free. Furthermore, independent injection of vaccines cannot coincide with free ones.
